ENCORES of Cave Spring High School —

As you leaf through the pages of the 1961-62 **Accolade,** you will see the year drift by once again.

Happy times, sad times — an encore of the year's events with both its triumphs and defeats . . .

# DEDICATION

Each year the Accolade has been dedicated to an individual who is most deserving. This year, however, the staff has decided to deviate from this idea and honor several deserving individuals.

There is associated with Cave Spring High School a dedicated, hard-working organization. The members of this organization have volunteered their services and untiring efforts as they work to materialize a long dreamed of goal.

Realizing that this is both the opportune time and place to express our gratitude and heartfelt thanks, on behalf of the student body of Cave Spring High, we the members of the Annual Staff dedicate the 1962 ACCOLADE to the

**CAVE SPRING RECREATIONAL FOUNDATION**

Mr. Bob Dyer, Secretary; Mr. Al Blankenship, Treasurer; Mr. Tom Anderton, Vice President; Mr. Tom Worrell, President.

# Mr. Con A. Davis
## Principal

There are many jobs here at Cave Spring that could not be kept running smoothly without the leadership of our principal, Mr. Con A. Davis. He is now serving his sixth year as principal of Cave Spring High School.

Mr. Davis is a graduate of King College in Bristol, Tennessee. He received his Masters Degree in Education from V.P.I. in 1955.

He formerly coached for six years at a local city high school where he headed the basketball team and coached the backfield of the football squad. He has also coached at Washington and Lee University in Lexington, Virginia,and McCallie Prep School in Chattanooga, Tennessee.

# Assistant Principals

Mr. Jack R. Spigle

Mr. Bill Edmunds

Yes, May I help you?

Mr. Edmunds takes time out for his favorite pastime.

# Office Staff

Miss Adelene Craghead keeps the office running smoothly.

Join the band and see the world! That should be the motto of our Cave Spring Band. After all, how many high school bands get to represent their state in the International Lions Convention at Nice, France and visit nine European countries at the same time? But this reality is the end product of much hard work on the part of Paul B. Noble, the director, the Band Boosters, and the band members themselves. Without the contributions of foresight

and effort of these people, this could not have been accomplished.

One of the reasons for the band's popularity with the older set is a real swinging combo which has played for many dinner dances and spreads the Cave Spring Band's reputation for versatility. Another reason for popularity is the high-stepping drill team. If you saw **that** coming down the street in front of Swingin' on Parade, you surely would not forget it for a long time.

"A routine to 'Totem Pole'; impossible!" This was all the majorettes said as they anticipated the European trip. Led by head majorette, Wanda Robison, the girls have worked hard all year to devise new ideas to improve their group by having bake sales to pay for private instruction. With all those many extra practices and hard work, we can be sure they will represent our band and nation well in Europe this summer.

What makes one eligible for top honors at C. S. H. S.? A combination of citizenship and scholastic ability. Each year the work of the top five seniors is recognized at commencement, when they each deliver a speech.

Each year the Daughters of the American Revolution award is presented to a senior girl who is chosen by the faculty on the basis of her citizenship and grades.

D. A. R. WINNER
Cay Garrett

Representatives to Boys' and Girls' State are picked by the faculty according to their citizenship, scholastic, and leadership ability. They gather with representatives from other schools for a week during the summer to learn more about our government.

A workshop for annual staffs, newspapers, and other periodicals is held at Washington and Lee University by the S. I. P. A. or the Southern Interscholastic Press Association toward the end of April. The publications of the schools are judged and representatives gain new ideas to work with in the coming year.

# VARSITY CHEERLEADERS

Hard work mixed with fun was the theme of the '61-'62 cheerleaders, as they cheered our athletic teams to "V-I-C-T-O-R-Y." The squad is always present regardless of whether our team is suffering a slight defeat or is marching valiantly on to victory. They were responsible for the Homecoming activities, and they also worked with the Monogram Club in sponsoring the Football Dance. Another duty performed by the squad was a banquet at the end of the year for the teams.

The squad was composed of seven Seniors, two Juniors, and three Sophomores. They were sponsored by Mrs. Jill Jones and Mrs. Sarah Sink.

# HONOR CLUB

"Till then the Christmas music sounds no more." This rang through the auditorium as the Honor Club once again presented their annual portrayal of "The Holy Grail."

Membership in the Honor Club is the most prized possession of any C. S. student. What makes the type of student who receives this honor? High character and active leadership in scholastic and extra-curricular activities.

New members are tapped at a spring candle-light service and the club holds a picnic for its Senior members.

# F. H. A.

The purpose of Future Homemakers of America is to promote an appreciation of the importance of homemaking, to further an interest in home economics, and to encourage democracy in home and community life.

Sponsored by Mrs. Catron, the club has been very active this year. Activities included raising money for needy children, sponsoring a Halloween Dance, and selling charms.

The officers for 1961-62 were Dixie Wright, President; Ellen Hale, Vice President; Molly Nunley, Secretary; Carol Robertson, Treasurer.

# SENIOR SCIENCE CLUB

"Hide the nitroglycerine bottles, the Senior Science Club is meeting today, and we don't want to lose our school just yet!" These are the cries of anguish of the students and teachers of Cave Spring High as club meeting day rolls around. But the club isn't that bad. They try their hardest to promote interest in science by inviting guest speakers to their meetings and taking trips to points of scientific interest. This past year they traveled to Greenbank, West Virginia to see the radio telescopes and participated in the Science Fair. To keep their scheming minds out of trouble, the club is divided into two groups (divide and conquer). Miss Senter is head of the Chemistry group and Mr. Tisinger is in charge of the Biology group.

"You do see the spots, don't you?" asks Miss Senter.

# F. S. A.

This club has just changed its name from the Junior Science Club to Future Scientists of America. They have been very active in furthering an interest in science among Cave Spring students by sponsoring a speaker on science for an assembly. The club was sponsored by Mrs. Montague and Miss Caldwell.

# MONOGRAM CLUB

Only boys who have earned a letter in some field of athletics attain the honor of membership in the Monogram Club.

Our Monogram Club endeavors to accomplish several things each year. The main aim of the club is to promote good sportsmanship within the school.

# VARSITY FOOTBALL

This year, the Knights brought to a close their second consecutive, unbeaten football season. They finished tops in the City-County race and in a three-way tie for the Blue Ridge District championship. Although the final record was marred by three ties, the boys played their hearts out in each and every game. Victory and glory, coupled with surprises and injuries, highlighted the '61 campaign. Although bad luck set in, team spirit was never lacking. Their success can be accredited to two factors: hard work and courage. Injuries piled up, but so did the victories: their number grew smaller, but their hearts grew larger. Many received headlines; many received headaches, but it was all for one and one for all—100% was expected and received from each and every boy. As long as head Coach Edmunds and his fine staff continue the great job they have been doing, Cave Spring will remain the team to beat in future years. The Cave Spring Accolade salutes the efforts and achievements of the 1961 football squad.

## CAVE SPRING 19 — ANDREW LEWIS 13

The Cave Spring Kinghts, led by quarterback Bill Alvarez, rolled to an impressive 19-13 victory over the Wolverines of Andrew Lewis in a potent show of offensive power. Lewis scored first by taking the opening kickoff and marching 51 yards for a touchdown. The Knights struck back on a 14-yard scoring pass from Alvarez to Nichols. Alvarez intercepted a Lewis pass on their 6-yard line and quickly scampered in for the lead touchdown. Late in the fourth quarter, Alvarez again reached paydirt with a two-yard run, and the Knights were in front to stay. Outstanding performances by Sands Woody and Dick Alvarez led the Cave Spring defense.

## CAVE SPRING 27 — BEDFORD 13

Cave Spring, playing on their new home stadium for the first time, turned back Bedford 27-13. Jim Harper, a pleasant surprise to Coach Edmunds, handled the offensive chores of the Knights with scoring runs of 69 and 41 yards. Nichols and Alvarez accounted for the other Knight scores with runs of 6 and 5 yards, respectively. Galen Conner booted 3 extra points in the game. Bob Spessard and Ray Sloan led the Cave Spring defense. In initiating their new stadium, the Knights stretched their winning streak to 12 games.

## CAVE SPRING 6 — COVINGTON 6

The spirited Cougars of Covington halted Cave Spring's winning streak at 12 with a surprising 6-6 tie. An illegal procedure penalty against Covington nullified the first extra point attempt which split the uprights. The second try was low. This alone kept Cave Spring from their first defeat. The Knights' tying score came as Galen Conner bucked over from the 1, climaxing a 90-yard drive midway through the third quarter. Covington was outplayed statistically by the Knights but managed to hold on to the tie.

## CAVE SPRING 40 — ROANOKE CATHOLIC 0

In the Knights' first game at Victory Stadium, they completely outclassed the Roanoke Catholic Celtics 40-0. From the opening kickoff which Roger Nichols returned 83 yards for a TD only to see it nullified by a clipping play, Cave Spring proved too much for the Celtics. Ray Slone scored 2 touchdowns on passes of 23 and 35 yards from Bill Alvarez. Galen Conner also scored 2 TDs, on a 1-yard run and a 23-yard pass from Dickie Alvarez. Galen also added 3 extra points. Other TDs were scored by Roger Nichols and Jim Harper. Roger Smith stood out on defense. The Knights made 15 first downs to Catholic's 6, and in the total yardage outgained the Celtics 311 to 63.

## CAVE SPRING 7 — PATRICK HENRY 6

The underdog Knights tripped Patrick Henry 7-6 in a hard fought battle. The Knights' smaller line outplayed the heavier Patrick Henry line and managed to stop the Patriots' speedy backfield. The CS defense, led by Ronnie Young and lineman of the week Tom Holliday, held Patrick Henry to a mere 4 first downs compared with our 10. The Knights scored their only TD with 7 minutes remaining in the first period on a two-yard run by quarterback Bill Alvarez. With Dick Alvarez holding, Galen Conner's eighth extra point of the season proved to be the winning margin as the Patriots failed to convert after scoring early in the second quarter. The first half ended 7-6 and that proved to be the only scoring of the game.

## CAVE SPRING 20 — BASSETT 13

In the sixth game the Knights traveled to Bassett and ran their unbeaten string to 16 by topping the Bengals 20-13. Bill Alvarez passed for the first touchdown to end Ray Slone, and then scored the second himself. Conner set up the third score late in the third quarter and then plunged over from the 1 for a clincher. Galen also added 2 extra points to bring his season's total to 34 as he now stood second in the scoring race. The outstanding line play of Ronnie Young and Michael Wohlford, coupled with the hard running of Galen Conner and Mike Saunders, proved to be too much for the Bengals, as the Knights increased their season's record to 5-0-1.

## CAVE SPRING 13 — WILLIAM BYRD 13

On the stadium dedication night, the Knights played host to a cross-town rival, William Byrd, and an ex-Cave Spring coach, Jim McGee. The Friday the 13th jinx proved unlucky for the Knights as they tied the spirited Terriers 13-13. A crowd of over 4,000 watched as Byrd struck first, only to have Cave Spring strike back in an 18-yard scoring pass from Alvarez to Slone. We went ahead late in the third quarter as halfback Jim Harper took a short pass from Alvarez and fought his way through tackles to complete a 22-yard scoring play. Byrd, after losing first string quarterback Bill Hudson, scored the tying touchdown with only 53 seconds remaining in the game. This tied the game as the all important extra point attempt was ruled wide to the left, and thus the Knights' streak was still preserved. Galen Conner and Ray Slone led the Knight defense.

## CAVE SPRING 14 — MARTINSVILLE 14

Refreshed from a week's layoff, the Martinsville Bulldogs battled our Knights to a 14-14 standoff in the rain and mud to run our season's record to 5-0-3. All of the scoring was done in the first half as Galen Conner and Roger Nichols accounted for the 2 TDs. In a fine performance which earned him Back-of-the-Week honors, Galen also added 2 all important extra points to preserve the tie. With time running out in the first half, Sands Woody recovered a Bulldog fumble on the Martinsville 12-yard line and two plays later Nichols scored on a quick pitchout from Alvarez. Late in the second half, Martinsville's fine end Steve Westfall grabbed a pass from quarterback Dave Monohon on the CS 5-yard line, but the final gun sounded before another play could be gotten off. Although everyone did a fine job, the defensive work of Jim Harper and Sands Woody was highly praised by Coach Edmunds.

## CAVE SPRING 40 — DREWRY MASON 19

In the annual homecoming game, our Knights, led by the Alvarez brothers, routed Drewry Mason 40-19. Galen Conner scored 2 TDs and added 3 extra points. Slone added 2 more on passes from Bill Alvarez. Roger Nichols and freshman center Eddie Meador also scored for Cave Spring. Meador scored on an unusual center-eligible pass play from junior quarterback Dick Alvarez which covered 18 yards for the final score as the game ended. During special halftime ceremonies, fullback Galen Conner was named Football King. A Knight guard, Sands Woody, who blocked a point and recovered 2 fumbles, received the **World News** "lineman of the week" award.

## CAVE SPRING 49 — FRANKLIN COUNTY 6

The Knights ended their second straight unbeaten season as they romped over Franklin County 49-6, and in doing so tied for first place in the Blue Ridge District along with Martinsville and William Byrd. Galen Conner's 7 extra points, a new city-county record, coupled with his 2 scoring runs of 5 and 8 yards, won for him the Blue Ridge scoring title as he amassed a total of 77 points in the season. Roger Nichols scored 3 TDs and the Alvarez brothers each added one. Seven times CS handled the ball and seven times they scored. This game marked the final appearance for 8 CS seniors, and all of them got to play. The Knights, for the third consecutive year, ended their season on a winning note and stretched their unbeaten string to 21 games, certainly a record for everyone to be proud of.

# J. V. FOOTBALL

This year's Junior Varsity Football team finished with a respectable 3-4-1 record. Many of this year's Junior Varsity will be next year's Varsity players. They received good coaching and gained much valuable experience over the season. The team was much better than the record indicated, and the boys will be striving hard to achieve their future goal—a varsity letter. And with a little hard work and determination, they should be able to reach this goal soon.

# FRESHMEN

Even though they did not win a game, the baby Knights gained much valuable experience and showed signs of achieving football fame in the coming years. Spirit, determination, and sportsmanship were the signs which pointed to future success.

# VARSITY BASKETBALL

Paced by two of Cave Spring's greatest players, the Knight hardwood artists rounded out a season of twenty games, packed full of thrills, surprises, and upsets. With Alvarez and Spessard collaborating for 754 points, the Knight quintet displayed not only great scoring punch, but also one of the finest offensive teams seen on the floor of our gymnasium in the past few years. From the records and all the evidence, it would seem as though Cave Spring had a one man team; but it was far from that. The team could hardly be called a five-man team, but more truthfully a well-rounded squad.

With high hopes, we traveled to Martinsville for the tournament, lost, and trudged back home, heart broken. But as they say, "We'll be back next year!"

Spessard gets the jump at the Lewis game.

# J. V. BASKETBALL

The future proteges of our varsity team, the J.V.'s, went through a season of hard knocks and dissapointments, defeats and experience, only to finish with a sad 5 and 15 record. But this is not the whole story, for the boys started the season with very little experience, and lost some really close games. Yet, through the process, they gained valuable tips and knowledge. We should be bolstered tremendously next year by the ability of promoted J.V. players.

First baseman, Johnny Craft, stretches to take the throw from second baseman, Bob Brown.

Duff Bell is thrown out at first by Monty Johnson, as Phillip Henry covers the base.

# BASEBALL

Baseball was continued once again after a one-year layoff. New uniforms were bought, and a new field was constructed early in the season. This was a year of rebuilding due to the team's lack of experience. The team also participated in a post-season tournament along with the other Blue Ridge District teams.

## SEASON'S SCHEDULE

College, perhaps? Wonderful! A job? Wonderful, too, if it's the right one—with opportunities to progress and learn as well as earn. There are many such jobs at C&P, waiting for girls like you. In a telephone job, you not only start with good pay but are specially trained to make more. Raises and advancements are frequent. Surroundings are pleasant—people are friendly—and your work is never dull. Why not make your first job a telephone job—one that can lead to a happy, rewarding career?

**THE MOON...**
***and beyond!***

Bright, new horizons await today's students . . . new technologies . . . new medicines . . . even the moon and whatever lies beyond.

How far today's students go in this space age depends partly on their imagination but primarily on their training. Conquering new horizons will demand more of today's graduates — more knowledge, more skills, more training and more specialization.

Our Free Enterprise system, with its high living standards, gives everyone an opportunity to "shoot for the moon" in any field. Whether or not our target is reached depends on how well trained we are to launch ourselves.

# School Editors Demand Confidence

Editors of high school and college yearbooks insist upon doing business with a printer in whose integrity they can have confidence.

From the very beginning, in 1883, Stone Printing has been a quality leader in the specialized field of yearbook production. We are proud of the confidence demonstrated by the acceptance which "Yearbooks by Stone" have received among our many customers over a span of more than three-quarters of a century.

There are countless reasons why so many schools have complete confidence in Stone. You, too, can take advantage of our complete service to high school and college staffs. From the first layout to the completed job, printed by either offset or letterpress, your book will be produced to meet your most exacting requirements and your budget.

One of our representatives will be happy to meet with your staff and discuss your next yearbook. Please call on us.

And now, as we complete another chapter in the history of C. S. H. S., and set our sights on new and different horizons, let us not forget the people and events that played an important part in our education and training. Once again, this chapter is not entirely different from previous ones, since certain activities are fundamental such as clubs to join, Homecoming, class rings, and the Junior-Senior Prom. However, each year the meaning is different for each of us. Just as we could not duplicate any other chapter, this one cannot be duplicated.

We, the staff, hope that this ACCOLADE will serve as a complete and treasured memory that will be pulled off of dusty shelves time and time again. To us this book will bring back memories of hard work—pictures to be taken, layouts to be planned, copy to be written, and deadlines to be met. However, all of these were enjoyable because they contributed to this—the 1962 ACCOLADE.
